To his ever-faithful patients Dr. Milton Conger is a compassionate healer who places their health and well being above all else. But there's more-so much more-to the engaging Dr. Conger. Behind the facade of stethoscope and white physician's coat, lurks a man playing evil games, like insurance fraud. His world of deception feeds a lavish lifestyle of private islands, luxury yachts, personal jets with wealth that knows no boundaries. When small-town lawyer, Ernie Holmes, learns of the means and methods of the conniving doctor, he becomes a central figure in a major lawsuit aimed at dismantling Dr. Conger's ill-gotten empire. Heated confrontations erupt in the courtroom and lead to another game . . . one that turns deadly! In Justice is Coming, Holmes finds himself squaring off with the arrogant Dr. Conger both on and off the witness stand. He fights to unravel Conger's devious schemes, and finally devises a risky plan to track down the millions they have yielded. It's a journey filled with twists and turns at every dangerous corner. For those who survive the ride, their lives will never be the same.
